

I Just Can't Wait!

Katy: I'm gonna be a mighty king,
So enemies beware

Everyone: Well, I've never seen a king or beast,
With quite so little hair

Katy: I'm gonna be the main event
Like no king was before

Everyone: She's brushing up She's looking down
She's working on her roar

Oh, I just can't wait to be king

No one saying, "do this"
No one saying, "be there"
No one saying, "stop that"
No one saying, "see here"
Free to run around all day
Free to do it all my way

Oh, I just can't wait to be king

Cartwheel Section

Everybody look left
Everybody look right
Everywhere you look I'm
Standin' in the spotlight

Oh, I just can't wait
To be king!
