### **Paris / Look Down**

Look down and see the beggars at your feet  
Look down and show some mercy if you can  
Look down and see the sweepings of the streets  
Look down, look down,  
Upon your fellow man!

How do you do? My name's Gavroche  
These are my people, here's my patch  
Not much to look at, nothing posh  
Nothing that you'd call up to scratch  
This is my school, my high society  
Here in the slums of Saint Michele  
We live on crumbs of humble piety  
Tough on the teeth, but what the hell!  
Think you're poor?  
Think you're free?  
Follow me, follow me!

Look down, and show some mercy if you can  
Look down, look down, upon your fellow man

There was a time we killed the king  
He tried to change the world too fast  
Now we have got another king  
He's no better than the last  
This is the land that fought for liberty  
Now when we fight, we fight for bread  
Here is the thing about equality  
Everyones equal when they're dead  
Take your place  
Take your change  
Vive le France, Vive le France!

Look down, and show some mercy if you can  
Look down, look down, upon your fellow man

When's it gonna end?  
When we gonna live?  
Something's gotta happen now or  
Something's gonna give...  
It'll come, it'll come, it'll come  
It'll come, it'll come, it'll come

Where the leaders of the land?  
Where are the king who run this show?

Only one man - and that's Lamarque  
Speaks for these people here below

Lamarque is ill and fading fast!  
Won't last the week out so they say  
With all the anger in the land  
How long before the judgement day?  
Before we cut the fat ones down to size?  
Before the barricades arise?
