Please read section 14 of our COVID policy which explains how uniform will be safely fitted at this time.

Another element of STUDIO life which we have needed to plan for, is a safe way to fit new uniform and items of our merchandise, heres what we have in place.

We have sample sets of all of the items that we have for sale in each size, including duplicate sets of the things we tend to fit more frequently. When you need to make an order, just let us know via email, and we will arrange a fitting to take place during the student's pod visit. This will be carried out by a member of our team using the appropriate PPE. A photograph will be sent to the parent to help show the fit of any garments, but will not be necessary for shoes. As previous, all undergarments such as socks and tights will be ordered directly, with no options to fit, these products are non returnable and non refundable, so please check the sizing carefully when ordering. Once payment has been received, we will go ahead and order your items for you, all orders and payments will need to be received by midnight on Tuesday to go onto our Wednesday weekly order. Please note that we will only be ordering once per week, and that timings for orders and deliveries may be more restricted during the festive period. Orders can be collected by the students during their pod visit to take home, please try them on for size ensuring that socks are worn with shoes on a carpet surface only, and that any clothing is tried on over suitable underwear. If something doesn't fit, we are happy to return or exchange your items, provided they are in a new, unworn condition, with the original packaging, and returned to us within one week. Larger items, will incur a small return fee. May we ask that all collections and returns are made at the student's scheduled pod visit to avoid additional trips and social mixing. We have a 72hr quarantine system in place, where any post try on, or returned items will be stored safely for this period of time.

The following poster highlights other items of kit needed for classes.
